What services are included?

The work will involve:

- Discussing your circumstances in detail and confirming whether this is the most appropriate application for you to make and what other options may be available to you
- Giving you advice about the requirements of the Immigration Rules and whether you meet the criteria.
- If you do not fulfil certain criteria, whether this can be overcome and how, which on average takes three to four hours.
- Considering the supporting evidence you have provided, which we anticipate will take three to four hours. However, the amount of hours depends on the number of documents, whether they need to be translated, whether anything is missing and how long it will take to obtain the missing documents.
- Where necessary, helping you obtain further evidence (such as medical records and bank statements), including taking statements of any witnesses.
- Preparing your application and submitting it on your behalf, which we anticipate will take up to fifteen hours (but certain cases may take more time, if this applies, you will be notified)
- Attendance at a Home Office interview: if the Home Office asks you to attend an interview, we will give you clear advice (and discuss the possibility of us attending with you) at the appropriate time. This could be between eight and ten hours of work.
- Giving you advice about the outcome of the application and any further steps you need to take.

These fee estimates do not include disbursements or Home Office fees – please see disbursements section below.

Disbursements (not included in costs set out above)

Disbursements are costs related to your matter that are payable to third parties, such as visa fees, healthcare surcharges, biometric charges. We handle the payment of the disbursements on your behalf to ensure a smoother process.

- Interpreters' fees to be quoted separately and if necessary
- Independent expert reports e.g. medical experts. These are not required in many cases: we will let you know as soon as possible if we consider an expert report is necessary
- If there is an interview and we do attend with you, there will be additional disbursements in respect of our mileage/travel expenses

The costs quoted above do not include:

- Any Home Office fees for making the application. You may pay this to the Home Office directly as part of the application process or provide us with card payment details to facilitate payments. For information in relation to home office fees, please read [here](#).
- Where the Home Office refuse your application, advice and assistance in relation to any appeal

Timings

We cannot guarantee how long the Home Office will take to process your application. [Please read the current processing times.](#)

Provided we have all evidence and information available, we will normally be able to submit most applications within four weeks of you instructing us, but we will let you know at the earliest opportunity if it is likely to take longer than this. Particularly complex applications can take much longer to prepare.

Please note the anticipated number of hours and fees are an estimate based on the facts above. All applications are likely to vary and of course, we can give you a more accurate estimate once we have more information about your specific case.
